Space and Naval Warfare Systems Center Awards Contract

SAN DIEGO — InnovaSystems International, LLC, El Cajon, Calif., is being awarded a \$17,236,391 modification to an existing Space and Naval Warfare Systems Center contract for support of the Type Commanders Readiness Management System (TRMS). TRMS is a readiness and analysis system that consolidates a wide range of fleet readiness data. This modification extends the contract period of performance for an additional two years, from June 27, 2003 through June 26, 2005. Work will be performed at multiple government sites (90%) and at the contractor's facility in El Cajon, Calif., (10%). Contract funds will not expire at the end of the current fiscal year. This modification was issued as a sole source action in accordance with FAR 6.302-1, and posted to the Government-wide Point of Entry, the Federal Business Opportunities web site. The Space and Naval Warfare Systems Center, San Diego, Calif., is the contracting activity (N66001-01-D-5001).
